

SEL for Washington

A CALL TO ACTION

Greetings!

Thank you all for your continued advocacy and commitment to ensuring all Washington Schools have the ability to support the Social Emotional skill development and mental health and wellbeing of their students. We need your help to keep moving these bills forward!

SB 5082 - Creating a committee to promote and expand social emotional learning.

This bill has not been scheduled for Executive Session yet. Please contact the Senate Ways and Means Committee leaders and encourage them to advance this bill.
